There being a quorum present the  
council proceeded to the regular order  
of business.

The reading of the minutes of the

ter, Mr. McPherson made a motion that  
the city attorney be instructed to draw

whenever Mr. Blain would give a war-  
ranty deed in favor of the city, for the

Pherson, the city engineer was instructed  
to make a sketch and plat showing

street that goes to the D. & R. G. depot,  
same to be the same width as the street  
that leads to the D. & R. G. depot. The  
motion prevailed.

The mayor spoke in regard to the  
titles of the city, and on motion of Mr.  
McPherson a committee of five lawyers  
are to be appointed by the mayor to act  
with the city attorney and frame a bill.  
The same is to be submitted to Delegate  
Ferguson so that he may have it enacted  
into a law. The mayor said that

he would at the next meeting appoint  
said committee.

The mayor was requested to appoint  
a dog catcher, without any compensa-  
tion from the city, salary to be derived  
from the owners of dogs running at  
large.

Reports of the city marshal and po-  
lice judge for the month of June were re-

#### LETTER FROM FATHER ROUX.

Report of Spanish Demonstrations at Santa  
Cruz Denied In Toto by the  
Parish Priest.

His Excellency, Miguel A. Otero, Governor of  
New Mexico, Santa Fe, N. M.

Santa Cruz, N. M., July 2, 1898.—Sir:  
—I have received information from  
good authority, that there is at the pres-  
ent time in Santa Fe, a terrible and can-  
dorous talk, reflecting on the people  
of Santa Cruz as well as on myself, who  
has charge of the parish. I therefore  
decided to write and explain to your ex-  
cellency, the case just as it is.

I understand that they have informed  
you at Santa Fe:

First—That the Spanish flag had been  
waving over the church at Santa Cruz.

Second—That the Spanish flag had  
been brought out and used during the  
procession which took place here on  
May 3, 1898, the same being the feast of  
Santa Cruz, and was also used in the  
procession of Corpus Christi.

First of all, I deny all of these state-  
ments.

We have not got a Spanish flag here,  
nor in the Church of Santa Cruz. The  
Spanish flag has never waved over, and  
what is more, it never will wave over  
the church of Santa Cruz. The only  
flag for me, and for my people, that will  
ever wave over this church will be the  
American flag on the Fourth of July.

We, here in Santa Cruz, this pastor  
and the people are all loyal Americans.  
I was told, by what I consider good  
authority, that a detective was sent to  
Española on last Thursday to gather in-  
formation regarding these false rumors,  
and I feel confident and sure that his  
reports will be just as I give them to  
you.

Who is the author of this terrible  
calumny that seeks to injure my heart  
and the reputation of our American  
citizens and of an American priest?

I think it is sufficient for me to  
tell you that I, as pastor of this church,  
and the people of Santa Cruz, are faith-  
ful and true to the American flag.

You will do me a great favor by deny-  
ing and stopping at once the calumnious  
talk that is now going on in Santa Fe,  
and I will rely on you as chief executive  
of the territory to properly deal with  
those guilty of starting such calumny.

Receive, honorable and dear sir, the  
expressions of my most respectful senti-  
ments,  
Rev. JOHN ROUX,  
An American Citizen.
